

## Partnerships & Operations Associate

At PerkEarth we're improving your future by helping our planet - for businesses and individuals alike.

Subscribers CO2 offset their lifestyle by planting trees each month and benefit through our perk platform to help make environmentally minded purchase decisions in their day-to-day lives. Do good, get good.

---

We are looking for a Partnerships & Operations Associate to join our team.

You will have responsibility for building relationships with our perk partners, as well as being a bit of a generalist with other responsibilities within our startup.

You will be directly involved with:

- Securing perks
- Perk partner relationships
- Operational support
- Customer enquires

We are looking for someone who is / has:

- Technologically proficient
- A clear communicator
- A desire to grow
- Determination

The following will be a given for any applicant:

- Being smart and adaptable
- Being a quick learner
- Drive

# PERK EARTH

## Benefits:

- Making the world a better place  
- free fruit and snacks  
- working in a fast paced environment 
- working within a young team 
- office in central Bristol ( by Temple Meads  )

## How to Apply?

Please send your CV and covering email, detailing why you believe you'd be the right fit for PerkEarth, to [hello@perkearth.com](mailto:hello@perkearth.com)

Please use the email subject: Partnerships & Operations Associate Application

You will then be invited to interview, if successful, for cultural fit.
